The Employment Help Centre presents

Employee Recruitment Strategies Workshop

Poor hiring decisions produce long-term negative effects. And cost you money!

This workshop will teach you the secrets of successful hiring:

- The 5 Biggest Mistakes Hiring Managers Make
- Why Your Job Ad Isn't Attracting the Right Candidates
- Interview Methods That Give You The Information You Really Want
- How Implementing an Orientation and Retention Plan Will Decrease Turnover and much more!

Each participant will leave with an Employee Recruitment package for easy reference during your hiring process.
